

Welcome Home (album Father's Love)

There's too many ways to get down here
Too many options to take
Too many paths to destruction
Only one good exit to take
Been on the road far too long now
A long uphill climb awaits me
I think I'll come to my senses
I'm about as low as can be
Father I'm broken before you
Here let me stay at your feet
Humbled and lost in the shadows
Hoping our eyes will not meet
Welcome home, welcome home
To the father who loves you,
You're welcome home

Come to the feast
Where the greatest are least
And the last shall be first
Come to the light
Where the darkness of night
Will be taken away
Come to the place
Where the hurt on your face
Will be turned into peace
Here in my kingdom
Kingdom of light

Put a ring on his finger
And shoes on its feet
Let a party be given
Rejoice with me
He was lost but is found,
He's found his way home
To the father who loves you
You're welcome home

Precious child (by Andy Park) (album Father's Love)

By john nuttall

Show me dear Lord
How you see me through your eyes
So that I can realise Your great love for me
Teach me O lord
That I am precious in your sight
And as a father loves his child
So You love me
I am yours because you have chosen me
I'm Your child because You've called my name
And Your steadfast love will never change
I will always be
Your precious child

Show me dear Lord
That I can never earn your love
That a gift cannot be earned only given
Teach me O Lord
That Your love will never fade
That I can never drive away
Your great mercy

I'll love you (Father's love album)

I'll love you as the day that follows night
I'll love you like the morning sun so bright
I'll love you as the water fills the sea
My love for you will flow eternally
I love you as a father loves a son
I'll love you like a new love just begun
I'll love you as a mother loves her child
I'll love you now and 'til the end of time

And will you take my love
And hold it in your arms
And never break my love
Receive it like a child
And not forsake my love
Believing for a new life every day
And will you have my heart
And hold it oh so close
And never ever part
Accept the gift I offer
With an open heart
Together we will walk along the way

I delight in you (album Father's Love)

I who made the sun
And placed it in the heavens
I who made the mighty winds to blow
And the oceans to roar
I who made the universe
Unfurled it like a canvas
I covered it with stars
And signed it with my name
I delight in you
I sing over you with dancing
Oh I delight in you
I will dance over you with a song
I delight in you
The highest of all my creation
I will quiet you with my love
I will delight in you
And will you dance for me
And will you sing for me
And will you let me see my hope in you
And will you sing for me
And will you dance for me
And will you let me see
Myself in you

Your Father is Love (album Father's Love)

All the hairs of your head have been numbered
Every step that you take has been trod
Not a breath that you breathe goes unnoticed
When the name of your Father Is God

Like a bird watches out for her young ones
He will gather you under His wing
You will know that you have His protection
When the name of your Father is King

He will watch over you as you journey
He will weep if you stumble or fall
He will hear as you cry out for mercy
For the name of your Father is All

He will never force you to obey Him
A whisper should just be enough
You will know that He cares beyond measure
For the name of your Father is love

Do not be anxious be at peace
Do not be worried be at ease
Do not be frightened He is here
Do not be troubled calm your fear

You are beautiful (album Father's Love)

You are more beautiful than Solomon

More precious than his gold

I made you higher than the angels

Your beauty yet untold

Look at the mountains

Look at the trees

Look at the birds of the air

Feel the breeze

Look at the oceans

Fathom the seas

You're more beautiful than these

Beautiful

Beautiful

Beautiful

More beautiful to me
