

G D Em
We are your sons , we are your daughters
C G D
We are your children , forever free
G D Em
No longer slaves, no longer orphans
C D G
Born of your Spirit, God's family

Em
We travelled an uncharted way
C
A road to rack and ruin

G D
We turned toward a father, but he turned to us and lied
Em
He drew our hearts away from God
C
We went for independence
G
But Father waited patiently

D
For us to realise and come on home

We wandered on a lonely road
A path of self - destruction
We tried to find a meaning to the hopelessness we saw
We squandered opportunity
In endless substitution
But then You found us and You brought us home

In the end it was your calling
Your kindness and humility
You sent your one and only Son the broken hearts to heal
You came to set the captives free
The offer of salvation
To find the lost and then to bring us home

.....
Here is love vast as the ocean (in G)
Loving - kindness as the flood
When the Prince of Life our ransom
Shared for others his precious blood
Who his love will not remember
Who can cease to sing his praise
He will never be forgotten
Throughout heavens eternal days

 My children wide-eyed and persistent
 Imagining and hoping
 Passionate in play
 Children living life abundant

 In this spacious place

My children unsophisticated
 Innocent untainted
 Simple and yet true
 My children know that I will love you
 Ferociously protect you
 Give my life for you

Glad that I live am I that the sky is blue
Glad for the country lanes and the fall of dew
After the sun the rain
After the rain the sun
This is the way of life
'til the work be done
All that we need to do
Be we low or high
Is to see that we grow
Nearer the sky
