

You are good  
And you are kind ,  
God of compassion  
Grace and light  
You bring peace,  
A gentle touch  
So full of mercy  
And rich in love  
And I..... would come to You  
And I ... would know Your embrace  
For you give life , and You bring hope  
You are God , and You are good

You are good  
Faithful and true  
So merciful  
We worship You  
Your humble heart  
Your sacrifice  
Your sweet embrace  
Bringing us life  
And we .....would come to You  
Oh and we .... would know Your embrace  
For You give life , and You bring hope  
You are God , and You are good

I will worship You  
I will honour You  
We will worship You

Beautiful name, Jesus*

Who can I turn to  
Who do I know  
Who is there like you  
No-one

Where can I run to  
Where can I go  
Where find some comfort  
Nowhere

What can satisfy  
What else fulfil  
What can replace you  
Nothing

So why do I look there  
Why do I turn  
Why do I go there  
Don't know

There is no one like you Father  
No one else I know  
Nowhere else can I find comfort  
There is nowhere else to go

So I'm running to your arms  
See you face-to-face  
I'm running home to you  
Rest in Your embrace

You will never ever leave me  
Or abandon or forsake  
You're dependable and faithful  
Keep the promises You make

I am your child

And you are always slow to anger  
Full of kindness full of grace  
Showing mercy and forgiveness  
.... Love shining from Your face

And you will always be there for me  
To protect me and defend  
Never judge me or reject me  
point the finger or condemn

I am Your child  
And You are always .... Good

And You wrap Your arms around me  
You are strong and you are safe  
Full of goodness and compassion  
I run to your embrace

And I will run to you  
I will dance with you  
I will walk with you  
For I am your child  
I will laugh with you  
I will stay with you  
I will talk with You  
For You are my father

If I could touch the hem of His garment  
And disappear unnoticed in the crowd  
Turn back 12 years of disappointment  
And get my healing from this Man of God

    This could be my day  
    The day I've waited for  
    When Jesus comes my way  
    What am I waiting for

They drag me to the place of condemnation  
The guilty one exposed for all to see  
Caught in the act of degradation  
What will this Jesus say to me

    But when He looked my way  
    And said 'I don't condemn '  
    Gave His life for mine  
    Who is this Man

*And I did not count on this  
The love shining from His face  
Burning through my pain  
Deep inside*

I came prepared to pour my love out on Him  
Whatever people say or think of me  
He's different from all other men that I've known  
He honoured and restored my dignity

    He received my love  
    While others scoffed at me  
    He could read my heart  
    How..... can this be

*And I did not count on this .....*

No cries of grief      just muffled tears  
No public show      just shadowed fear  
No garlands He      just crown of thorns  
No half-mast flag    just mocking scorn

No loud applause    just shouts and bays  
No morning crowds to line the way  
No stately dress      just naked shame  
No moving words    just curse and blame

No tributes here      just King of the Jews  
No God save the King    just shouts of abuse  
No candle in the wind    just darkened skies  
No homage to the truth    just hate and lies

This is my Lord This is my friend  
This is my love Jesus my friend

*No need to make a song and dance  
No need for pomp and circumstance  
No need to cause yourselves the pain  
You'll see me again*

Blessed are the pure in heart  
Blessed are those in need  
Blessed are the sorrowful too  
Happy are those who mourn  
Happy the poor in spirit  
Happy who know their need of God

*For the kingdom is theirs  
and they shall see God  
They shall be satisfied  
And they shall be sons and daughters  
Rich their inheritance  
And they shall be filled with God*

Blessed if you hunger for right  
Blessed the merciful  
Blessed are the peacemakers too  
Happy are you in thirst  
Happy gentle spirit  
Happy in suffering are you

*For the kingdom is yours and you shall see God...*
